

REINS OF LIFE ANNUAL GOLF OUTING

Monday, July 29th | South Bend Country Club

YOU CAN HELP US CHANGE LIVES

Reins of Life is an inclusive, diverse, and impactful place. Our life changing services would not be possible without you!

We are committed to enhancing the lives of children and adults with disabilities. We do this through equine-assisted services including therapeutic horseback riding, therapeutic carriage driving, interactive vaulting, and a variety of unmounted activities.

Over the last few years, the demand for our services has increased tremendously. To better meet the need of our community, we are expanding and improving our South Bend Facility. The expansion is scheduled to begin this summer.

Your support makes a tangible difference in our participants lives. Thank you for being part of the force that makes it all possible!
